

Perpetual Energy Inc. has an immediate opening in their Accounting and Finance team for an Operations Accountant. This is a permanent, full-time position in the Calgary office.

Objective of the Role

The Operations Accountant will work as part of the Accounting and Finance team of Perpetual and report to the Manager, Operations Accounting. This role will provide accounting support and overall knowledge to the team and the organization.

Key Accountabilities

The Operations Accountant role will include, but is not limited to the following:

- Work closely with various areas of the organization to provide accurate reporting and analysis to the lease operating statement including but not limited to: Revenue, Operating Costs, Royalties, Capital Expenditures, and Transportation
- Work closely with Execution and Operations asset teams to provide timely and accurate data to aid decision making
- Assist in the management of Joint Venture transactions as required
- Establish and maintain effective working relationships with stakeholders and other departments to achieve departmental and company goals and objectives
- Other ad-hoc financial analysis and projects as may be assigned

Education and Experience

The education and experience required for the role of Operations Accountant are as follows:

- 2 – 5 years industry experience in a small to mid-size organization
- Bachelor's degree in Commerce or Management or Engineering
- Highly skilled with Excel, demonstrating a willingness to learn new systems
- High level of business acumen and ability to see how internal and external factors impact business
- Qbyte and Hyperion Experience would be an asset
- Joint Venture Accounting experience would be an asset
- Oil or gas producer experience would be an asset

Skills and Abilities

The skills and abilities required for the Accountant role include, but are not limited to, the following:

- Strong analytical and technical skills;
- A creative thinker, with the confidence to pursue innovative solutions to challenges;
- Demonstrated ability to work effectively and collaboratively in a fast-paced team environment;
- Excellent problem-solving skills and roll-up-your-sleeves attitude;
- Strong attention to detail while maintaining the highest level of efficiency;
- Excellent interpersonal and communication skills, both written and verbal;
- Results oriented and hardworking, able to meet all deadlines;
- Driven, solutions-oriented individual who naturally takes responsibility for setting the standard and achieving results;
- Self-directed, moves quickly and is capable of working within a continually changing environment;
- Ability to multi-task, prioritize and meet deadlines;
- Well-organized, detail-oriented, enthusiastic and confident;
- Ability to work extended hours to meet deadlines if required.
